

MICHAEL GUERRERO

San Diego, CA | +1 (619) 597-9661 | michael.guerrero0704@gmail.com | [LinkedIn](#) | mikxvii.com

SUMMARY

Fast, proactive, and reliable team member with experience spanning food service, office administration, and web development. Comfortable with customer service, cash handling, restaurant closing routines, office operations, event coordination, and leading small teams. Technical background specialized in full-stack web development, mobile development and IT. Fluent in English, Spanish, and French.

EXPERIENCE

UC Berkeley — College of Computing, Data Science, and Society Aug. 2024 – May 2026
Office Assistant, Dean's Office Berkeley, CA

- Supported day-to-day office operations for the Dean's Office, including supply orders, hosting & facilitating and general front-desk assistance for faculty and investors, **helping UC Berkeley close deals** for higher education
- Helped coordinate CDSS events with **500+ attendees**, incl. venue booking, catering, setup, and day-of support
- Built and maintained a **150+ entry** event space guide and tracked department inventory in Google Sheets
- Received a **UC Berkeley SPOT Award** for outstanding performance & professionalism in the workspace

Mobile Developers of Berkeley Jan. 2025 – May 2026
President, VP of Marketing Berkeley, CA

- Oversaw operations for a **50+ member** student organization, leading an executive team of VPs across **5 departments** and coordinating with **13 partner clubs** for social and educational events
- Reviewed **400+ applications** across recruitment cycles and conducted behavioral and technical interviews
- Spoke at multiple campus-wide events to represent the organization and recruit prospective members
- Designed rebranding across **3 semesters**, refreshing visual identity for marketing campaigns and social channels
- Managed the organization's instagram and website, growing engagement around recruitment and events

Chick-fil-A Mar. 2021 – Aug. 2022
Team Member Santee, CA

- Worked the front counter and drive-thru during the shift that broke **\$5,000 in sales** in under **1 hour** — the highest in the restaurant's history — maintaining order accuracy and speed under record volume
- Assembled and QA'd food orders to company standards while following food safety and sanitation guidelines
- Restocked supplies, cleaned dining and prep areas, and completed opening and closing duties, improving guest experience

DataAnnotation May 2026 – Present
AI Evaluation Engineer Remote

- Completed quality-check assignments on frontier AI models, improving output across reputable tech companies
- Wrote clear written evals and rationale explaining assessments, following strict project guidelines and rubrics
- Maintained accuracy and consistency across high-volume task batches, adapting quickly to changing project instructions
